

**Remember me - Dedicated to  
Grand Champion & UK & Imperial Grand Premier  
Emanan Alderman Ptolomey  
21.6.91 – 21.2.2008**

**Remember me when I am gone away,  
Gone far away into that silent land.  
When you'll no longer hear my welcome purr,  
Nor feel my silky fur beneath your hand.**

**I'll be there in your memory each day  
You'll feel my presence, know I'm still a part  
Of your life, it's simple to explain -  
Somalis leave a paw print on your heart.**

**Remember all the shows, those golden times.  
My public came to greet me – I confess  
I simply loved to show off all my charms  
And share with you my winning and success**

**Please cherish all the good times that we shared,  
I could not stay forever, just a while,  
I only ask the one last thing of you -  
Remember me for my Somali smile.**
